

FundingPost.com is currently producing its Q4 2007 Venture Guide. This unique publication will be mailed to over 400 leading Venture Capital firms and Angel Investors in the United States. It will also be sent to leading venture capital analysts, and service providers.

This guide is focused around Entrepreneur listings. Entrepreneurs list their company profile in either a quarter-page, or a full-page executive summary. This profile contains their contact information, company description, and amount of capital sought.

In addition to the company and business listings, the Venture Guide also features relevant content from its advertisers and guest Investor Writers. This content should be targeted to Venture Capital Firms and their portfolio companies.

## A "must have" for Investors seeking quality dealflow.
